

2025 Continuing Education Provider Application

Thank you for your interest in becoming a Continuing Education Provider.

NASM and AFAA support ongoing professional development and education by requiring members to recertify every two years. To qualify, members must complete Continuing Education Units (CEUs) from approved providers. CEUs are awarded based on the number of hours spent in a structured educational format. Within this application, continuing education providers may apply to be a NASM or AFAA approved provider or an approved provider for BOTH at a discounted rate.

Once approved:

- Your Continuing Education (CE) Offering(s) and a link to your website, if provided, will appear on the online CEU Approved Provider List. These lists are located at www.nasm.org or at www.afa.com. Note: NASM and AFAA have **separate** lists.
- The CEU value (with the associated recertification point system) will be posted on the CEU Approved Provider List.
- You will receive instructions for the authorized use of the associated logo(s).
- Approval is awarded for a **specific CE Offering** for a **specific calendar year**.

CE Providers must demonstrate the following:

- **Health and Fitness Topical Relevance** (i.e. anatomy, nutrition, weight control, wellness, sports medicine, business management, exercise assessment, fitness program design, special populations, strength training, kinesiology, biomechanics, behavioral change, sports psychology, exercise physiology)
- **Credible Content** (i.e. proven/scientifically valid information and/or practical application/methods) that is current and unique, at an appropriate level (designed for experienced fitness professionals) and aligned with the mission and reputations of NASM and/or AFAA.
- **Author/Instructor Credentials and Related Experience** (i.e. certification, accreditation, and/or related degree)
